Security

To ensure your safety and security during the event, security scanners have been installed at every entrance.

When you enter Cisco Live, you will enter via a security scanner. You may be subject to a search for anything that may pose a danger or cause disruption to the event.

You are not obliged to consent to such a search; however, a refusal may result in you being prevented from accessing the event. Any items found that are illegal in The Netherlands will be confiscated.

Please allow for this and arrive in good time for scheduled activities. To enable faster entry into the building, we suggest you leave any large luggage at your hotel.

- Following your badge collection, badge checks will be carried out. Please carry your Government-issued photo ID or digital copy and your event badge at all times.
- Please do not leave your personal property unattended. If you see anything that may be suspicious, notify a member of the security team or an event representative immediately.

RAI Emergency Response

In case of emergency, please call +31 (0) 20 549 12 34.
